MEMORANDUM FOR SMC/CZ

FROM: SMC/CC

SUBJECT: GPS-IIR8 Independent Readiness Review (IRR) Team Charter

1. In accordance with SMCI 63-1201 (Assurance of Operational Safety, Suitability, and Effectiveness), I am chartering an IRR of the GPS-IIR8 satellite.
2. The overall chairperson for the mission will be Lt Col Ronald Grundman and vice chairperson Mr. Thomas Freitag. The GPS-IIRS satellite lead will be Maj Robert Bennett and co-lead Mr. Fitzroy Younge.
3. Please identify a program office focal point for this review. The program office must provide the IRR Team access to program office and contractor personnel, documentation, and facilities as required. The IRR Team and program office will define the scope of the review in support of IRR Phase II Kickoff meetings.
4. If you have any questions, please contact Lt Col Ronald Grundman, SMC IRR Team chairman, SMC/AXE, at 3-0572.
